

# STANDARD 5MM

## Commercial Standard LED Light String

The standard 5mm light strings are ideal for holiday decoration of trees, shrubs, wreaths, garland, and many other special events. Designed with a concave lens, these wide angle bulbs are 25% brighter than standard-shaped light strings and shine equally brilliant from any viewing angle.

### FEATURES

- Up to 90% energy savings over conventional incandescent light string
- Standard 120V AC plug and socket power connection
- Inter-connectable up to 210W
- Pre-assembled, durable plastic sockets with fused stacked plug
- 36,000 hours rated life
- UL Listed for indoor and outdoor use
- 1 Year Warranty
